Letter from your 2020 Festival of Trees Co-Chairs

Dear Friends of ABF,

We are excited to invite you to experience the magic of Festival of Trees at home with us. The evening's virtual gala will feature our famous Christmas tree auction, wreaths, holiday centerpieces, silent auction, raffle, and illustrate how we all build a better community together.

This year's event provides an opportunity to share all the splendor of the 22nd annual Festival of Trees gala. Our tree designers will showcase how their festive creations come to life from concept, design, to fully decorated. We look

forward to sharing the joy of the holiday season and engaging with you in the coming weeks!

As community members, it is incredibly meaningful to us to help advance the mission of the Arizona Burn Foundation. We believe whole-heartedly in the cause, we know it takes a village to make a kinder and more supportive society.

Together, we can make an impact on the mission of the Arizona Burn Foundation. Together, we can continue to connect burn survivors and provide vital social support services.

Together, we can address burn prevention education to help reduce pediatric and adult burn injuries.

Together, we can enjoy the wonder and spirit of the holiday season through Festival of Trees with a "twist"!

Sincerely,

Lindy Smith and Nikki Shaffer
2020 Festival of Trees Co-Chairs
