

Arizona Burn Foundation's Deaf & Hard of Hearing Smoke Alarm System

This system includes a smoke alarm, bed shaker, and strobe light

It is designed to wake you up and alert you if there is smoke or fire in your home

Please leave the strobe light plugged in at all times

Please leave the bed shaker under your mattress or pillow at all times

Please test the smoke alarm once a month by pressing the test button on the alarm

- If the light blinks and the bed shakes, it is working 😊
- When you test it, it will turn off after 15 seconds

Please insert a new battery into the smoke alarm once a year or when it starts to chirp

If you move to a new home or travel, feel free to take the entire system with you (smoke alarm included)

If there is ever smoke or fire in your home, GET OUT AS FAST AS POSSIBLE AND STAY OUT

Practice safely escaping your home once a month with your family

If you have questions or need help with this system – please call the

Arizona Burn Foundation at 602.230.2041
